In April the Trustees of the Library voted to become an Affiliated Library in the Statewide Library Development Program. The State Library orders books for all Libraries in the system at a substantial saving over the list price. This year we also received reference books of our own choice valued at \$125.00. In order to remain in the system we will need to increase the number of hours that we are open. Doing this will also increase the usefulness of the Library.

# Health Report

December 29, 1965

Mrs. Edith Burbank, Town Clerk  
Dalton, N. H.

## To the Citizens of the town of Dalton:

In 1965, 114 visits were made in the community, and these visits are classified as follows:

Adm. and Promotion	6	Mental Health	2
Antepartum	7	Polio Clinics	2
Cardiac	1	School	11
Crippled Children	2	Sight Conservation	7
Health Supervision	61	Tuberculosis	15

In the Spring, three Well Child Health Conferences were held, 31 physical exams were given, and 73 immunizations.

Fifty-six individuals were given the Heaf test, for tuberculosis detection during the year.

One child has attended the Pediatric Cardiology Clinic in Lancaster. Under the Sight Conservation Program, one child has been receiving treatment from the Hitchcock Clinic in Hanover, at least every two months.

With the advent of Medicare, all local communities will find themselves directly involved. Local efforts should be directed toward the problems of organizing and implimenting personal health services. Is your community ready?

Medicare is the bringing together of people needing and providing service. A major contribution to the health care for the aged lies in the provisions for home care benefits.

Communities need to plan and develop new patterns of services geared to meeting the needs of the chronically ill, aged and infirm persons living in their own homes. Care in the home often saves money for the family and the community.

All citizens of your community must work in a spirit of partnership in recognition of a common purpose—the assurance that health care of high quality will be part of the security to which all Americans can look forward to in the latter years of their lives.

It has indeed been a pleasure to work with the Citizens of Dalton, and I extend my appreciation to them for their co-operation during the past year.

Respectfully submitted,  
ELEANOR D. KENNEY, R.N.  
Public Health Nurse, District 2  
N. H. State Department of Health

# Program of the White Mountains Region Association

1965 (28th Year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 38,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Outstanding Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member innkeepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the North Country.

Respectfully submitted,

JOHN P. WILSON  
Executive Secretary  
Lancaster, N. H.
